Our Rates \& Service Charges explains current terms, rates and service charges applicable to the savings, checking and certifi cate accounts we offer. We may offer other rates and require other service charges or amend the rates and service charges, as explained in this disclosure, from time to time. Each owner on an account agrees to the terms described in this disclosure and acknowledge s that it is a part of the Member Service Agreement (MSA).

*Purple Money Market, IRA Money Market Savings, High Interest Savings, Special Savings, Club Savings, Build Up Savings Products are no longer offered.
${ }^{* *}$ For Build Up Savings, to avoid the monthly maintenance fee of $\$ 10.00$, you must have a Build Up Checking Account. Accounts are limited to single owner accounts. Product is no longer offered.
+For the 40-Month Bump-Up Certificate Special, members may request that Vibrant raise their rate to the current Vibrant Credit Union published rate on the 40 -month certificate. Members will then earn the higher rate for the remainder of the term. Members may only exercise this feature one time during the term. Promotional rates made available in special offers are excluded. When the certificate matures it will autorenew into a 36-month certificate.
++ The 8-Month Certificate Special will auto-renew into a 6 -month certificate when the certificate matures.
${ }^{1}$ The $\mathbf{2 3}$-Month Certificate Special will auto-renew into a 24 -month certificate when the certificate matures.

## Explanation of Rates \& Service Charges

As explained in the MSA, Our Rates \& Service Charges applies to all the accounts we offer. Except as specifically described, the following terms apply to all of the accounts you have with us.

## 1. Rate Information

The Dividend Rate and Annual Percentage Yield on the accounts you have with us are identified above. For all accounts except certificates, the Dividend Rate and Annual Percentage Yield may change at any time as determined by the credit union's management. All share accounts, excluding Premier Checking, and Preferred Savings are considered tier "A" Accounts. Tier "A" accounts, if the account balance falls within the range for a particular tier, the dividend rate and APY for that tier will apply to the entire balance in the account. Tier "B" accounts include Premier Checking, and Preferred Savings. For tier "B" accounts, the specified Dividend Rate for a tier will apply only to the portion of the account balance that is within that tier. The annual percentage yields, which vary depending on the balance in the account, are shown for each tier.
The Dividend Rates and Annual Percentage Yields are the prospective rates as of the effective date shown above. For Certificate Accounts, the Dividend Rate and Annual Percentage Yield are fixed and will be in effect for the term of the account. For Certificate Accounts, the Annual Percentage Yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

## 2. Nature of Dividends

Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

## 3. Compounding and Crediting

Dividends will be compounded and credited as identified above. For dividend bearing accounts, the Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

## 4. Accrual of Dividends

Dividends will begin to accrue on non-cash deposits (e.g., checks) on the business day you make the deposit to an account you have with us. If you terminate the account before accrued dividends are credited, accrued dividends will not be paid.

## 5. Balance Information

The minimum balance required to start each account and earn the stated Annual Percentage Yield is identified above. If you do not maintain the minimum balance, you will not earn the stated Annual Percentage Yield. For all accounts, dividends are calculated using the Daily Balance method, in which dividends are calculated by applying a periodic rate to the balance in the account for each day of the dividend period.

## 6. Certificate Account Features

## a. Account Limitations

After you start the account, you may not make additional deposits to a certificate, except the add-on certificate. For the add-on certificate you may make deposits of $\$ 0.01$ or more at any time.

## b. Maturity

Certificate accounts will mature on the maturity date identified on your certificate or renewal notice.

## c. Early Withdrawal Penalty

We may impose a penalty if you withdraw any of the principal of the certificate account before the maturity date.

1) Amount of Penalty. The amount of the penalty is all of the dividends earned on the account.
2) How the Penalty Works. The penalty is calculated as a forfeiture of dividends earned. If earned dividends are insufficient
or have previously been withdrawn, the penalty will be deducted from the principal balance.
3) Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: when an owner on an account dies or is determined legally incompetent by a court or other body of competentjurisdiction. Where the account is an Individual Retirement Account (IRA), and any portion is paid within seven (7) days after establishment or where the account is an IRA and the owner attains age $591 / 2$ or becomes disabled and begins making periodic withdrawals.

## d. Renewal Policy

Certificate Accounts are automatically renewable accounts and will renew for another term of the same length upon maturity, with the exception of the 15 -month certificate, 8 -month certificate, 13 -month certificate, 23 -month certificate, the 5 -Year Variable and the 33month certificate.8-month certificates will automatically renew into 6 -month certificates at maturity. 5-Year Variable and 15-month certificates will automatically renew into a 12 -month term at maturity and the 23 -month and 33-month certificates will automatically renew into a 24 -month term at maturity. You have a grace period of seven (7) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty.

## e. Add-On Certificates

During the term of the "add-on" certificate, you may make deposits of $\$ 0.01$ or more at any time. When the "add-on" certificate matures, it will auto renew into another "add-on" certificate. The grace period is still available if you would like to change the renewal.

## f. Nontransferable/Nonnegotiable

The account(s) you have with us is/are non-transferable and nonnegotiable. This means that an account and the funds in the account may not be pledged to secure any obligation of an owner, except obligations with the Credit Union.

## 8. Vibrant Card Account Features

## a. Account Limitations

Vibrant Card accounts are non-dividend bearing accounts. You may deposit up to $\$ 500$ in a Vibrant Card account. You may not make deposits through ATMs or mobile banking. You may not deposit checks at a branch. There are no checks and no paper statements available with this account. All statements are electronic. This account is not eligible for Overdraft Privilege coverage of overdrafts to the account from ATM or everyday debit card transactions.
